## **SOCIAL DISTANCING FOR EDUCATION: PORTABLE CLASSROOMS**

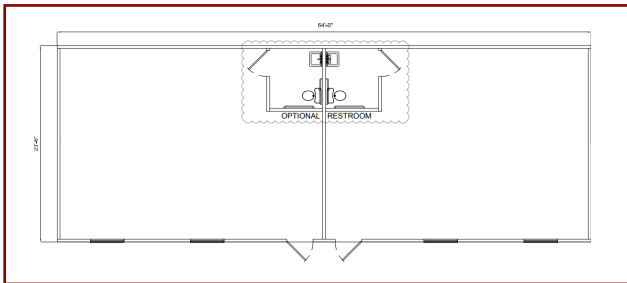

Looking for extra space? Modular building leader Aries is here and committed to supporting you and your school district. We specialize in supplying full turnkey temporary and permanent modular solutions to meet your immediate requirements. Our modular buildings are built to meet or exceed the same building codes and standards as site-built structures; we use the same architect-specified materials used in conventionally constructed buildings. Our award-winning team of experienced professionals will design floor plans and structural accommodations that will meet all your relocatable education needs.
