LEASE AGREEMENT GENERAL TERMS AND CONDITIONS

1. True Lease. This Lease Agreement (the "Lease" or "Agreement") is a true lease and not a sale. Lessee shall not acquire ownership interest in the Equipment. The Equipment shall remain the sole personal property of Lessor even though the Equipment may become affixed to, embedded in, or be resting upon real property.

2. Delivery; Acceptance. Lessee shall take delivery on the date specified on the Equipment Schedule unless otherwise agreed in writing by the Parties. Upon delivery, Lessee agrees to timely inspect the Equipment. Lessee shall have forty-eight (48) hours from the Delivery Date to notify the Lessor, in writing, of any observable defects in the Equipment. Unless Lessor receives timely written notice from Lessee as set forth herein, Lessee is deemed to accept the Equipment and acknowledge that the Equipment is in good order and operating condition as of the Delivery Date. Lessee may not use, occupy, or alter Equipment until after acceptance. Upon any such use, occupancy, or alteration, acceptance shall be deemed.

3. Term of Lease; Extension. The term of this Agreement begins on the Delivery Date and ends on the last day of the Minimum Lease Term ("Term"), or if applicable, the last day of the Extension Period (as herein defined). At the end of the Term, this Agreement is extended on a month-to-month basis until the Equipment is returned to Lessor (the "Extension Period"). During the Extension Period, Lessor has the right to, on thirty (30) days written notice, increase the Rate Per Month and/or the knockdown and return freight charges to Lessor's then prevailing rate. After the end of the Term, either party can terminate this Agreement on thirty (30) days written notice. Lessee agrees to pay the contract sum of the full Lease Term and any Extension Periods. Lessee has no right to cancel a lease order prior to delivery of the Equipment unless agreed in writing by the Parties and such cancellation shall be subject to cancellation fee.

4. Site Suitability; Inspection. Lessor shall deliver Equipment to the project site listed in Aries's Proposal or Equipment Schedule (the "Site"). Lessee shall ensure that a level compact, truck accessible site is available for placement of the Equipment. Tires used to deliver the Equipment will be removed during installation and shall be returned to Lessor. Lessee warrants that the Site will have safe access, free from obstacles, obstructions, and encumbrances, a level pad with no more than 3 inches of variance in 30 feet, and adequate soil bearing pressure of not less than 2,500 psf. Lessee is responsible for securing all necessary permits, utility hookups, and all other Site preparation (unless otherwise stated in Lessor's scope of work). Lessee shall own and/or have express legal authorization to locate the Equipment upon the site. If Lessee fails to provide such Site, or if the Site is not prepared at the time of scheduled delivery, then Lessee shall pay for any resulting additional storage, delivery, installation, dismantle and/or return charges, attributable to delayed delivery or non-standard delivery. Lessee shall not alter the manner of installation or location of the Equipment without written consent of Lessor. Lessor shall have the right to enter the premises and inspect the Equipment during normal business hours during the Term of this Agreement and any Extension Period. Lessor does not recommend or support the stacking of Equipment. Do not stack Equipment unless you have the approval of qualified engineering professionals, comply with all occupational safety laws, and obtain all zoning, building, and occupancy permits. Notwithstanding any express terms to the contrary, Lessor disclaims all warranties, express or implied, if the Lessee stacks Equipment.

5. Use; Maintenance; Condition. Lessee has the right to peaceably and quietly hold, use and enjoy the Equipment, subject to the terms and conditions of this Agreement. Lessee shall use the Equipment solely in the conduct of its business and in a careful and lawful manner. Lessee agrees not to remove existing nameplates or decals affixed to the Equipment. Lessee shall pay all fees, charges and expenses arising from the use, possession, and operation of the Equipment while it is in Lessee's possession, including obtaining all approvals and permits related to the use and/or possession of the Equipment. Lessee shall maintain and keep the

Equipment in good repair and safe operating condition during the term of this Agreement. Lessee shall keep the Equipment properly ventilated and shall not allow or permit any condition to exist that allows standing water to accumulate in, on or under the Equipment. Lessee shall not, without Lessor's prior written consent, make any changes, alterations or improvements in or to the Equipment or remove any parts, accessories or attachments therefrom. If Lessee should require Equipment that meets certain local codes and/or ordinances, Lessee shall notify Lessor at the time Equipment is ordered. Any special requirements shall be handled on a case-by-case basis. Lessor makes no representations as to the Equipment's compliance with federal, state or local building codes, zoning ordinances, or other types of regulations or codes unless expressly stated in the Proposal or Equipment Schedule.

6. Hazardous Materials. Lessee shall not use, release, store, dispose of, or otherwise have present any Hazardous Materials in, on, under or near the Equipment, unless Lessor shall have first consented in writing to such use or presence of Hazardous Materials, and such Hazardous Materials are used, stored, manufactured, disposed of or otherwise present in accordance with all applicable laws. "Hazardous Materials" shall mean any explosives, flammable substances, radioactive materials, asbestos, paints containing lead, materials containing urea, formaldehyde, polychlorinated biphenyls, oil, petroleum byproducts, or any other hazardous, toxic, dangerous or otherwise regulated substances, wastes, pollutants, contaminants, or biological substances (including fungi, bacteria, mold and microbial matter of any kind) whether having such characteristics in fact or defined as such under federal, state or local laws and regulations. Lessor is not liable for any Hazardous Materials pre-existing on Site.

7. Rent; Fees; Taxes; Late Charges. Rent begins to accrue upon completion of the installation of the Equipment (the "Delivery Date"). Lessee shall pay Lessor at Lessor's principal place of business (or as invoiced), amount due hereunder on or before the due date in each monthly invoice at the Rate Per Month stated in this Lease. Rent is invoiced monthly, in advance, and will not be prorated. If any payment is not paid on the due date, Lessee agrees to pay Lessor a charge of 1.5% simple interest or maximum amount permitted by law, per month for the period such invoice remains unpaid. Lessee shall pay or, if requested by Lessor, reimburse Lessor for any and all sales, use, personal property taxes, or other taxes, fees or assessments levied against or imposed upon the Equipment, its value, use or operation or levied against or based upon the rentals paid or to be paid hereunder. Payments shall be effective upon receipt. Lessor may apply any payment from Lessee against obligation due and owing by Lessee under this Lease, regardless of any statement appearing on or referred to in any remittance from Lessee or any prior application of payment. The receipt by Lessor of a partial payment of any amount due to Lessor endorsed as payment in full will be regarded as partial payment only, and any endorsements or statements on the check or any letter accompanying the check shall not be deemed an accord and/or satisfaction, and notwithstanding endorsements of partial payments, Lessor may accept and deposit payment without prejudice to its right to recover the balance owed. Lessee's obligation (without prior notice or demand) to pay rent and all other amounts due hereunder shall be absolute and unconditional, and not be subject to any abatement, set off, defense, recoupment, or reduction for any reason whatsoever.

8. No Liens. Lessee, at its sole cost and expense, agrees to keep the Equipment free and clear of any and all claims, liens, security interests, encumbrances or attachments not arising out of Lessor's acts including, without limitation, mechanics and materialman's liens.

9. Mutual Indemnity. Lessee agrees, to the extent allowable by law, to indemnify, defend and keep harmless Lessor, its parents, subsidiaries, affiliates, directors, officers, agents, employees, and invitees, from and against any and all losses, claims, costs and attorney's fees and expenses, including but not limited to those arising from or to the extent caused by the negligence of Lessee or its agents or employees during Lessee's period of possession of the Equipment.

Lessor agrees, to the extent allowable by law, to indemnify, defend and keep harmless Lessee, its parents, subsidiaries, affiliates, directors, officers, agents, employees, and invitees, from and against any and all losses, claims, costs and attorney's fees and expenses, to the extent arising out of or caused by the negligence of Lessor, its agents or employees, which occurs while Lessor is performing work on Lessee's site.

10. Loss; Damage. As of the Delivery Date, Lessee assumes the risk of all loss and damage to the Equipment from all causes, including loss of use. Upon the occurrence of the total loss of the Equipment, to such an extent as to make the repair thereof uneconomical (in Lessor's reasonable opinion) Lessor shall declare the Equipment a Total Loss. In the event of a Total Loss, Lessee shall pay Lessor, upon receipt of invoice, payment of the Equipment Value (as stipulated) and any other moneys due hereunder, less all insurance proceeds actually paid and/or assigned to Lessor from insurance maintained by Lessee, plus all applicable sales and/or transfer taxes (the "Total Loss Amount"). Upon Lessor's receipt of the Total Loss Amount, the Lessee's lease obligation will terminate. Lessor will transfer available documents of ownership of the Equipment in its possession to Lessee or its insurer unless Lessor agrees to dispose of the Equipment at Lessee's cost and expense. In the event of loss or damage to the Equipment not resulting in a Total Loss, Lessee shall pay or reimburse Lessor, to the extent Lessor has not been paid or reimbursed from insurance maintained by Lessee, for the repair of such damage as reasonably directed by Lessor to the condition required by this Agreement. Loss or damage to the Equipment shall not reduce or otherwise abate Lessee's obligation to pay all rental payments when due (except in the event of a Total Loss and Lessor's receipt of the Total Loss Amount, in which case the terms of this Agreement state that the lease obligations terminate).

11. Insurance. Lessee's responsibility for the Equipment begins upon Delivery Date. Lessee shall obtain and keep in force during the entire Term and/or applicable Extension Period, liability and property insurance as follows: (A) General Liability Insurance: A policy of combined bodily injury and property damage insurance insuring Lessee and Lessor against any liability arising out of the use, maintenance, or possession of the Equipment. Such insurance shall be in an amount not less than \$1,000,000 per occurrence. (B) Property Insurance: A policy of insurance covering all loss or damage to the Equipment, including flood and earthquake, for not less than 100% of the full replacement Equipment Value and accessories, for the full Term of the Agreement. (C) General: (1) Lessee's insurance for the Equipment shall be issued by insurance companies reasonably satisfactory to Lessor. Such insurance shall be primary, and any other coverage carried by the Lessor shall be excess and non-contributory. Within ten (10) days after the delivery of the Equipment, Lessee shall provide Lessor with evidence of the required insurance and naming Lessor as Additional Insured and Loss Payee. The evidence of insurance must provide Lessor with thirty (30) days prior written notice of any cancellation. Any proceeds of such insurance shall be paid to Lessor and shall be applied to the replacement of the Equipment or payment of monies under this Agreement, at the option of the Lessor. Lessee shall comply with all requirements of the insurance underwriters or any governmental authority. (2) Lessor may charge Lessee a Missing or Expired Evidence fee for each month that Lessee fails to timely provide the required evidence of liability insurance. If evidence of property insurance is not provided to Lessor, Lessor may enroll Lessee in the then current property damage waiver program. Property Damage Waiver fees shall be calculated by Lessor at its then prevailing rate(s), and shall not provide Lessee with any liability insurance coverage, nor excuse Lessee from performing its obligations hereunder.

12. Defaults; Remedies. (A) Lessee shall be deemed to be in default hereunder upon the occurrence of any of the following events ("Events of Default"): (1) Lessee shall fail to make any payment due hereunder within ten (10) days after its due date; (2) Lessee shall fail to perform or observe any other material term, covenant, or condition of this Agreement upon notice and opportunity to cure; (3) Lessee shall have abandoned the Equipment; (4) any representation or warranty of Lessee shall have been untrue in any material respect when made, or any information submitted by Lessee to Lessor shall be false or misleading in any material respect; or (5) Lessee shall have defaulted under any other agreement with Lessor. (B) Upon the

occurrence of an Event of Default, with written notice thereof and a reasonable opportunity cure provided to Lessee, Lessor may declare this Agreement to be in Default, and thereafter may exercise any one or more of the following remedies: (1) declare the rent for the Term and all other unpaid rent, fees, taxes and charges under this Agreement immediately due and payable; (2) repossess, retake and/or retain any or all of the Equipment free of all rights and claims of Lessee without notice, without legal process, or judicial intervention, and without releasing Lessee of any term, covenant or condition provided herein; (3) sell or otherwise dispose of any or all of the Equipment, whether or not in Lessor's possession, in a commercially reasonable manner and apply the net proceeds of such disposition, after deducting all costs, to the obligations of Lessee, with Lessee remaining liable for any deficiency; (4) terminate this Agreement for cause; and/or (5) exercise any other right or remedy available to Lessor at law or in equity. Lessor's failure to exercise any remedy listed herein shall not constitute waiver of any Event of Default and shall not constitute a waiver of any other term or condition of this Agreement. Lessee shall pay Lessor's reasonable legal fees and other costs and expenses reasonably incurred by reason of any Event of Default or enforcement of this Agreement. No right or remedy referred to herein is intended to be exclusive, and each may be exercised concurrently or separately and from time to time. In the event Lessor shall repossess or retake the Equipment, and there shall be in or attached to such Equipment any property owned by, or in the custody or control of Lessee, then Lessor is hereby authorized to take possession of such property for a period of ten (10) days. Thereafter, if any such property is not claimed and taken by Lessee within ten (10) days after Lessor repossesses or retakes the Equipment, such property shall be deemed abandoned by Lessee, and Lessor shall have the right to dispose of it.

13. Return of Equipment; Termination of Lease. At the end of the Term or any Extension Period, Lessee shall make the Equipment available to Lessor, without impediment, at the Delivery Address or any other address to which Lessor has previously provided written approval of relocation of the Equipment. Any impediment to pick-up of the Equipment may result in additional charges to Lessee. Lessee shall provide Lessor with at least thirty (30) days advance written notice of the return of the Equipment. In the event Lessee does not provide thirty (30) days advance written notice of the return of the Equipment and/or earlier pick-up of the Equipment is requested by Lessee (and can be affected by Lessor), Lessee shall reimburse Lessor for any additional related costs and expenses associated with the pick-up of the Equipment. Lessee acknowledges and agrees that during the Extension Period all amounts for return freight, knockdown and dismantle will be billed by Lessor to Lessee at the rates then in effect on the date of surrender. Any amounts pre-billed (payments previously received) for dismantle and return freight will be applied against this new total. Termination will become effective only when the Equipment has been returned or surrendered to Lessor as herein provided and Lessee has paid Lessor all rental and other charges applicable to the Equipment. Lessee agrees that prior to the return of the Equipment to Lessor or upon notice of its repossession; Lessee shall, at its sole cost and expense, immediately disconnect all utilities, remove all of Lessee's personal property, and vacate the Equipment. Lessee hereby consents to entry by Lessor or its agents upon the premises where the Equipment may be located for return or repossession of the Equipment. Lessor shall not be responsible for site restoration. Lessor shall not be liable for any damage to any personal property left in or on the Equipment or for keeping or storing any personal property of Lessee left in or on the Equipment; any such property which Lessee does not claim or take possession of within ten (10) days after Lessor repossesses or retakes the Equipment, will be deemed abandoned by Lessee. Any fixtures, accessories, and additions to the returned Equipment shall be deemed part of the Equipment and the property of Lessor. Lessee shall reimburse Lessor for reasonable costs incurred related to the return of the Equipment and in repairing, cleaning or otherwise restoring the Equipment to its condition when delivered, nonetheless, the Equipment will be assessed a cleaning fee relative to the condition in which the Lessor picked up the Equipment, ordinary wear and tear excepted.

14. Limited Warranty. For as long as Lessee timely makes all payments due hereunder, Lessor warrants throughout the Term of this Agreement that it will repair structural or mechanical defects in the Equipment (excluding HVAC filters, fire extinguishers, fuses/breakers, light bulbs or other ordinary course repairs or maintenance) provided that Lessee notifies Lessor in writing of any defects, malfunctions, or leaks within two (2) business days of Lessee's knowledge of the occurrence thereof. In any event, the liability of Lessor shall be limited solely to the repairing of defects of the Equipment. Lessor shall have no liability for the repair of any defect or condition resulting from Lessee's relocation of the Equipment, utilities connections, work or alteration of the Equipment by other than Lessor, use of the Equipment for a purpose for which it was not intended, vandalism, misuse of the Equipment, for excessive wear and tear, or for which timely notice is not provided to Lessor. The repair of the Equipment by Lessor due to a condition resulting from any of the preceding causes shall result in additional charges to the Lessee. Lessor shall have no liability whatsoever for any consequential, incidental or punitive damages, costs or expenses. **Except as specifically provided herein, Lessor disclaims any and all warranties, unless expressly stated herein, including warranties of suitability or fitness for a particular purpose.**

15. Performance Time. Should any modification or customization be required with respect to the Equipment or scope of work, (the "Work"), such Work will commence after Lessor's receipt of Lessee's approved final drawings (the "Commencement Date") and will diligently pursue to substantial completion within a commercially reasonable time (the "Contract Time"), with all "punch list" work completed within sixty (60) days following the date of Substantial Completion. The Work is deemed Substantially Complete when (i) all Work, excepting only minor punch list items, is complete, and (ii) the is capable of being beneficially used as intended ("Substantially Complete" or "Substantial Completion"). For newly manufactured Equipment or custom-built Equipment, the drawings, specifications, submittals, opinions, and any other referenced design ("Specs") will be used to create engineered final drawings which require approval from all Parties and any authority having jurisdiction prior to production ("Final Drawings"). Any conflict or contradiction between the Specs and the Final Drawings will be resolved in favor of the Final Drawings. The process of obtaining all requisite submittals and Lessee approvals for creation of Final Drawings may affect production and performance time. Lessor's performance time shall be equitably adjusted based on Lessee's submittal/approval delays or additional time needed to obtain approvals. If Lessor is delayed at any time in progress of the Work by changes ordered to the Building(s) or to the Work, by labor disputes, fire, unusual delay in deliveries, abnormal adverse weather conditions not reasonably anticipatable, unavoidable casualties or any causes beyond the Lessor's control, then the Contract Time will be extended equitably for such reasonable time as determined by the Lessor.

16. Assignment. Lessee shall not assign this Agreement or sublet the Equipment without the prior written consent of Lessor, subject to credit approval. This Agreement shall be binding upon any permitted assignee or successor of Lessee. Lessor may assign within its organization any of its rights and/or obligations hereunder without notice to Lessee. Lessor will not assign to a third party who is not affiliated with Lessor without notice to Lessee.

17. Miscellaneous. (a) Time is of the essence with respect to this Agreement. (b) Entire Agreement - This Agreement the Equipment Schedule, and relevant Aries Building Systems Quote or Proposal, constitutes the entire agreement between the Parties, superseding and replacing all prior documents and representations, with respect to the subject matter hereof. This Agreement may only be amended by a writing signed by all Parties. The terms of any purchase order or any other documents submitted by Lessee regarding this lease (i) are superseded and replaced in their entirety by the terms and conditions of this Agreement and (ii) shall otherwise have no binding effect upon Lessor, its agents and employees. Acknowledgement by Lessor of any Lessee supplied documents or Purchase Orders during the term of this Agreement shall be for Lessee's billing purposes only. (c) Severability - If any provision of this Agreement is deemed unenforceable for any reason, then such provision shall

be deemed stricken and shall not affect the enforceability of any of its other provisions. Notwithstanding anything contained herein to the contrary, if it should be determined by a court of competent jurisdiction that any indemnification or other protection afforded to an indemnitee under Section 9 would be in violation of or otherwise prohibited by any applicable law, then Section 9 shall be deemed amended in a manner which provides the maximum protections to indemnitee, consistent with applicable law. (d) The obligations of Lessee shall survive the termination of this Agreement. (e) If Lessee fails to perform any of its obligations hereunder, Lessor shall have the right to affect such performance; the amount of any out-of-pocket and other reasonable expenses of Lessor incurred in connection with such performance shall be payable by Lessee upon demand. (f) Lessor shall not be responsible or liable for delays beyond its control. (g) Lessor shall have no liability whatsoever for any consequential, incidental, indirect, or punitive damages. (h) Lessee irrevocably appoints Lessor or its agents or assigns as Lessee's attorney-in-fact to execute any UCC financing statements, documents, and checks and drafts related to payment of any loss, damage or defense under policies of insurance required by this Agreement. (i) This Agreement shall in all respects be governed by the laws of Lessor's domicile state regardless of the location of the Equipment. Lessee hereby consents and submits to a court having jurisdiction in the county of Lessor's principal place of business for any dispute arising out of or related to this Agreement. **LESSEE AND LESSOR WAIVE ALL RIGHT TO TRIAL BY JURY OF ALL CLAIMS, DEFENSES, COUNTERCLAIMS AND SUITS OF ANY KIND ARISING FROM OR RELATING TO THIS AGREEMENT.** To the extent allowable by law, Lessee hereby waives any and all rights to or claims of governmental and sovereign immunity to suit or liability with respect to claims for breach of contract or nonpayment. (j) Lessee will pay reasonable costs and expenses, including reasonable attorney's fees, incurred by Lessor in enforcing any terms, covenants and indemnities provided herein. (k) Each Party is hereby authorized to accept and rely upon an electronic signature of the other Party on this Agreement or any amendment thereto. Any such signature shall be treated as an original signature for all purposes. (l) Each Party is hereby authorized to accept and rely upon documents in paper or electronic format. (m) All notices must be in writing, by certified mail, or nationally recognized courier service, and sent to the address provided on the Lease Agreement or as supplemented in writing by the Parties.
